

THIS IS STILL A DEMOCRACY

We don't have to allow the F-35 to be forced on us.

There are better choices for the people of Burlington,
especially for the 6,600 people whose homes
would become "unsuitable for residential use"

We have the power. It's not too late.

THERE IS A BETTER CHOICE.

**Basing decisions have been reversed after official decisions were made
because of public outcry, congressional action or legal action.**

Citizens have caused changes to basing decisions
in Florida, Virginia, North Carolina, Alaska.¹

It's not too late to change the F-35 basing decision.

Vote YES on Ballot Item #6

Give the Guard a plane that doesn't hurt our neighbors and their kids.
